DMS-05420

50 per pack
20 packs per case
(1000 tags per case)

The New EMT3™ All Risk® Triage Tags are optimized for use in the EMT3™ (Enhanced Method of Triage, Treatment, & Transport) System.

New Features Include:

- Large, shortened quick reference tag number for easier, more accurate radio transmission
- Larger, full accountability Transportation Receipt
- Glasgow Coma Scale
- Blast Injury Indicator
- Mechanism of Injury area
- Downward Triage capability
- Contamination Strip now located at the bottom of the tag to ensure that DECON is either performed or ruled out prior to triage.

Standard Features:

- Waterproof, Bloodproof
- Military Standard Bar Coding for Tracking & Personal Property Identification
- Evidence Identification
- Presence of Contamination
- Primary/Secondary Decon
- S.T.A.R.T. Triage Prompter

All Risk® Decontamination Medical Waterproof Triage Tags are engineered for today's emergency first responder. These DMS Tags are endorsed by California Metropolitan Medical Response System (MMRS) cities.
