

RAPID RESPONSE KIT *Rescue Task Force edition*

BLK

RED

Rapid Response Kits can be modified upon special request. Contact a North American Rescue sales rep for more details.

Rescue Task Force Edition is equipped for Initial Triage of a Multiple Casualty Incident...

Exterior of the rugged nylon shoulder bag features adjustable, padded strap with quick release buckle. Multiple storage capabilities including loop-tape/MOLLE attachment system, 2 extra pockets & elastic storage loops with color-coded labels to accommodate up to 8 chem lights (not included).

Interior compartment features 3 fixed mesh pockets and repositionable elastic loop panel for secure equipment storage. Available in 500D CORDURA® nylon.

The Rescue Task Force Rapid Response Kit is equipped to provide initial triage of an MCI and provide treatment for 4 or more patients. MOLLE'd on the exterior are 4 C-A-T® tourniquets with holders and nylon dispenser equipped with 4 rolls of color-coded triage tape. Available in Red or Black nylon colors.

Features:

- First Responder Go Bag with modular, personalized organization of mission essential gear AND medical equipment
- Rugged nylon shoulder bag features adjustable, padded strap with quick release buckle
- Multiple storage capabilities including loop-tape/MOLLE attachment system, 2 extra pockets & elastic storage loops with color-coded labels to accommodate up to 8 chem lights (not included)
- Interior compartment features 3 fixed mesh pockets and repositionable elastic loop panel for secure equipment storage
- Also available as a bag only with shoulder bag, 4 TQ holders, and Triage Tape Dispenser (*no contents included*)
