

CLEANSE AND SANITIZE

p.a.w.s.® Antimicrobial Hand Wipes

Sanitize While Removing Dirt and Grime

(Kills 99.9% of Germs)

Formulated with 66.5% ethyl alcohol to help you meet CDC, APIC and OSHA handwashing recommendations. p.a.w.s.® wipes sanitize while removing soil and debris from hands, an important function in the absence of soap and water. Our convenient packaging options are great for first aid kits, the office, purses, bags, hospitals, vehicles and workshops. Make hand hygiene a priority at your facility! Provide p.a.w.s.® to your staff for effective, proven protection against potential infections and germs.

**Wall-mounted bracket
for easy access**
