Ambu[®] Perfit ACE[®] & Mini Perfit ACE[®]

28 sizes in two collars

The Ambu Perfit ACE is a unique adjustable collar. Combined with the Mini Perfit ACE these two collars offer an incredible 28 sizes ensuring that patients can now have the most effective and accurate fit ever.

Made from radio translucent materials, the collar is packaged completely flat and has a unique chin-flip feature to ease airway management. Ambu Perfit ACE is a disposable adult adjustable collar for immobilizing the cervical column.

Ambu Perfit Ace is an adjustable collar designed to fit any adult with 16 different settings ranging from Neckless to Tall sizes. The Ambu Perfit ACE incorporates latches that allow the rescuer to size the collar exactly to the victim's neck size. Two safety lock buttons hold the collar in place when adjusted.

Ambu Mini Perfit ACE is an adjustable collar designed to fit children and small adults, with 12 different settings to provide an accurate fit.
