

Microflex®

FreeForm® EC

Powder-Free Nitrile Extended Cuff Exam Gloves

Item

Small	FFE-775-S
Medium.....	FFE-775-M
Large.....	FFE-775-L
Extra Large.....	FFE-775-XL
XX-Large.....	FFE-775-XXL

Recommended for use in the following industries:

EMS / Healthcare / Industrial Safety / Laboratory

With an extended cuff for added protection over the wrist and arm, **FreeForm® EC** gloves offer comfortable strength in a relaxed fit nitrile examination product.

Unlike conventional nitrile gloves, which tend to feel stiff and unforgiving, **FreeForm® EC** gloves work with your hands as they move. **FreeForm® EC** gloves are a model example of strength and comfort in a nitrile product.

FreeForm® EC gloves meet or exceed the emergency medical glove requirements of NFPA 1999, Standard on Protective Clothing for Emergency Medical Operations, 2008 edition.*

Recommended for use:

- Strength and protection are of great importance
- Day-to-day hazards require the best combination of durability and comfort
- Working in environments that demand consistent grip and reliability
- Non-stick properties that are resistant to tapes and adhesives

*Certification on file.

Microflex® FreeForm® EC Profile

For current specification information, please visit www.microflex.com.
