

HomeCare Suction Unit

A Fusion of Quality and Innovation

For more than twenty years, DeVilbiss has been delivering the **best portable suction options**. The DeVilbiss 7305 Series Homecare Suction Unit **meets suction and capacity requirements in a small, lightweight design**.

The DeVilbiss 7305 series Homecare Suction Unit is a compact medical suctioning device which has been **designed for reliable, portable operation**. Because of the **small size, light weight and DC operation**, the DeVilbiss 7305 Suction Unit is ideal for providing suction in the home, or on the go with the **DC cord**. The 7305P series with **internal rechargeable battery** is also available. **Two collection bottle options** give the choice between the standard **800 ml disposable canister** and optional long-term **reusable 1,200 ml canister**.

HomeCare Suction Unit
(Model 7305D-D)

Performance Features

- High Performance – Vacuum adjustments allow for 80-550 mm Hg and a free flow of 27 LPM
- Adjustable Flow Regulator – Easy-to-turn knob conveniently placed directly below gauge for easy use and control. Knob has safety lock feature which will not allow the knob to be twisted off.
- The Homecare Suction Unit 7305P series meets the RTCA/DO160D Aircraft Standard as well as the ISO-10079.1:1991 Suction Standard
- Increased Battery Capabilities – For use up to one hour. Provides the patient with added security when needed most
- The high flow capabilities (27 LPM) of the HomeCare Suction Unit can return a patient to a state of comfort quickly.

Design Features

- Easy-to-Read Gauge - The unit has conveniently placed gauge for easy reading. This is especially important when precise measurements of vacuum are needed for the pediatric patient.
- The 7305 series is equipped with a switch mode power supply allowing operation on any AC voltage (100-240 VAC, 50/60 Hz).
- Two-year warranty on Suction Unit
- Compact Design - All of the high-performance capabilities are conveniently placed in a small compact package weighing less than 6.3 lbs. The compact design with the high-performance capabilities makes the 7305 series suction unit the smallest and strongest portable suction unit of its kind.
- Low battery and charge indicator lights on portable unit (7305P-D)
